1. STUDENT FEEDBACK ABOUT THE QUALITY OF TEACHER

1.9) What aspects of this teacher's approach best helped your learning?

- Suhban always tried to extend our views of Applied Linguistics. He usually had the organised contents of class and encourage us to think some questions.
- Dr Subhan Zein is really good at explaining definition with samples. It is easy to understand.
- Dr Zein is very patient. He tries to elaborate knowledge for us in various aspects, which encourages me more eager to learn what I am not familiar with.
- Dr.Subhan always ready for us to solve all kinds of problems, and he is very funny although sometimes we don't get it, hhhhh.
- Good teacher responsible
- He can explain things very clearly. He was ready to answer any questions.
- He is a really good teacher, and offer us some extra knowledge when we talk about the theories in the textbook. It broadens our horizons? and deepens our understanding.
- He is knowledgable in a wide variety of topics, so his explanations are clear, interesting and sound. His wide cultural knowledge allows him to engage students from different cultural backgrounds in his speech. He always seems willing to clarify the expectations for assignments over the email providing examples and extra information. He is strict and rigorous and provides valuable feedback that guides to genuine improvement. While he delivers his class he always seems passionate and makes the learning environment dynamic and appealing.
- My lecturer was always punctual. He provided enough explanations and examples of theories and concepts. When a student has a question, he always listened carefully and gave a clear answer. The most helpful point was that the answers to activities were not presented on the activity sheet. It made me pay more attention to the lecture and actively interact with peers as I had to find the answers by myself. Also, the instruction of every assignment was really detailed and he always rechecked whether our understanding of the assignment is clear or not. His supportive attitude was impressive. I could get a quick answer to my query through e-mail. Although the content of this course was quite difficult, I could enjoy the course. I really appreciate my lecturer's contribution.
- Subhan is very kind. He is always able to explain some puzzling theoretical knowledge in a concise way and provide his own practical examples, which make it easy for me to understand. Besides, his class is well organized and the students are very devoted. He is approachable and his class style is very comfortable.
- Thank you so much Subhan, I was inspired to explore more ideas about linguistic. With additional explanation about the terminologies, my current knowledge was expanded and I feel a sense of satisfaction about the studying the new knowledge. I even do not want to miss any classes of this seminar although it is 8am class. Thank you and all the best for the rest of the semester.
- The best teacher I have ever met. Dr Subhan is a very very kind, gentle and patient teacher. He gives us useful feedback and help us solve problem. He has a wide range of knowledge, always be ready to answer our questions. Best!
- The feedback from the teacher is very helpful
- The in-class activities are various, and the teacher taught many kins of knowledge and information to help us as future teachers. Also, the teacher cares about everyone in the class and is willing to help in and off class.
- The teacher prepared the handout carefully and explained theories in detail.
- he is very knowledgeable person and makes me learn a lot
- lots of group work improve my communicative competence and my teacher often provides some useful points that cannot be found in our book.

1.10) What would you have liked this teacher to have done differently?

- Nothing yet, I absolutely like the class. Thank you.
- So far so good~ really enjoy this course.
- yes. teacher is very good
- At times, it seems hard to satisfy his expectations in course assignments.
- I think the course is great.
