1. STUDENT FEEDBACK ABOUT THE QUALITY OF TEACHER

1.9) What aspects of this teacher's approach best helped your learning?

- Being approachable and patient.
- Easy to approach and contact by email. Very friendly human being.
- Explanations that drew on personal experience, willingness to upload extra resources outside of intended curriculum in order to provide extra support for students.
- I think the fact that he is an EAL/D learner is a good insight into how students may feel and progress
- very approachable, open to negotiating assessment procedures, encouraged discussion between students, kept focused.
- Subhan had great knowledge in the area of EAL/D. I really enjoyed his classes. He did a great job as his first year of running the course.
- Very detailed and constructive feedback on assignments.
- Classroom examples. Assignments were useful and relevant. Small class size and discussions with other students were often interesting and stimulating.

1.10) What would you have liked this teacher to have done differently

- Next time show some relevant videos of EAL/D strategies in practice or discuss pertinent case studies to break up the lesson some more.
- Talk about the assessment more. Either a week or two before it is due.
